

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

BUFFALO LITHIA SPRINGS WATER

Is a natural spring water bottled at the springs only. It has been before the public for thirty-seven years and is offered upon its record of results accomplished. In *Bright's Disease, Albuminuria, Inflammation of the Bladder, Gout, Rheumatism*, and all diseases dependent upon a Uric Acid Diathesis, it has been tested by leading physicians at home and abroad. The testimony of these physicians and their patients—based on actual clinical test and not on theory—tells our story. Are they not competent witnesses?

DR. ALFRED A. LOOMIS, *Professor of Pathology and Practical Medicine in the Medical Department of the University of New York*, wrote: "For the past four years I have used **BUFFALO LITHIA WATER** in the treatment of **Chronic Bright's Disease of the Kidneys**, occurring in **Gouty and Rheumatic subjects**, with marked benefit."

DR. G. A. FOOTE, *Warrenton, N. C., Ex-President State Medical Society, formerly Member of the State Board of Medical Examiners, and also of the State Board of Health*: "In **Bright's Disease of the Kidneys** I have in many cases noted the disappearance of **Albumin and Casts** under the action of **BUFFALO LITHIA WATER**, which I regard as the most efficacious of known remedies in this distressing malady."

DR. JOS. HOLT, *of New Orleans, Ex-President of the State Board of Health of Louisiana*, says: "I have prescribed **BUFFALO LITHIA WATER** in affections of the **Kidneys and Urinary Passages**, particularly in **Gouty** subjects in **Albuminuria**, and in irritable condition of **Bladder and Urethra** in females. The results satisfy me of its **extraordinary value in a large class of cases** usually most difficult to treat."

GRAEME M. HAMMOND, M.D., *Professor of Diseases of the Mind and Nervous System in the New York Post-Graduate Medical School and Hospital*: "In all cases of **Bright's Disease** I have found **BUFFALO LITHIA WATER** of the **greatest service in increasing the quantity of Urine and in eliminating the Albumen.**"
